Lynn,

Mark mentioned to me on Friday that the week of June 8-9 will likely be too packed for the senior leadership people at HQ. Mark and I will probably need to do these sessions another week later in June.

If the week of June 8 still works for you and Alyse, I think we could go ahead with the sessions with OSRTI, OSRE, OECA, OGC – I could extend my trip and stay following the SES meeting on June 6-7 and attend with you.

Alternatively, you could push all of the meetings (including senior leadership) to another week later in June.

**Update:**

Mathy Stanislaus is scheduled to attend the same meetings Mark is attending while in DC June 8 – 9.

With that said, Mathy is not available. Barry Breen is available on June 9<sup>th</sup> from 1 – 4 p.m. EST.

Thank you,

**Subject:** RE: Mark and Mary's schedules

Julia – when you get the chance, would you check with Mark about what West Lake meetings he would like for us to set up on June 8<sup>th</sup>/9<sup>th</sup>.

I propose that Mary Peterson, Alyse Stoy and I (and Dave Cozad if he wants to go as well) try to meet with (1) Jim Woolford/Dana Stalcup in OSRTI, (2) Cynthia Giles or Larry Starfield/Cindy Mackey in OECA and (3) Somebody in OGC the afternoon of the 8<sup>th</sup> and possibly the morning of the 9<sup>th</sup>. (Alyse will not be able to get into DC until about noon on the 8<sup>th</sup>)

Separately I am guessing that Mark would like to have this team go with him to a meeting with Mathy Stanislaus/Barry Breen and he by himself or with some or all of the team meets with someone in the Administrator's office – I guess these could be one meeting combined or two separate meetings? You would need to find out from him when he would like to have these fit in.

I have copied Mark on this email so he can provide info when he has it.

Thank you,

We don't have the agenda for the SES meeting yet – or for the other three meetings Mark is attending (6/8 AM - Midyear Senior Leadership; 6/8 PM – NTOC; 6/9 – All Appointee Meeting).

As of right now, he is scheduled to return to KC on 6/9.

Stay tuned!

Thank you,

Julia and Marilyn – during one of our meetings yesterday, Mark asked me to look into the possibility of setting up some West Lake Landfill meetings with various offices in HQ when he and Mary are in DC for SES meetings. Alyse and I would plan to join them for that meeting. Mark said the SES meeting is June 6-7, and wanted to set up meetings on June 8. Mark said he had to be back home sometime June 9 but that wasn't clear on exactly when.

In checking with Alyse, she is unable to travel to DC until June 8<sup>th</sup>. So I guess what I am asking is whether you can block off Mark and Mary's calendars for June 8 for DC meetings, and also if possible June 9 morning meetings.

**I'll wait to hear back from you before working further with you on setting up specific meetings.**
